Welcome Back to ICP!

We are so excited to have your family as part of the ICP community. There is so much information that the school sends each week, it can be hard to stay on top! Here are ways you can stay connected:

1) Read this newsletter!

Each month, we will include important dates, information about upcoming fundraising, messages from the teachers, community outreach, and much more.

2) Read emails sent by your class coordinator.

Email is our official form of parent communication, so be sure to read all the information you get.

3) ICP class Facebook pages.

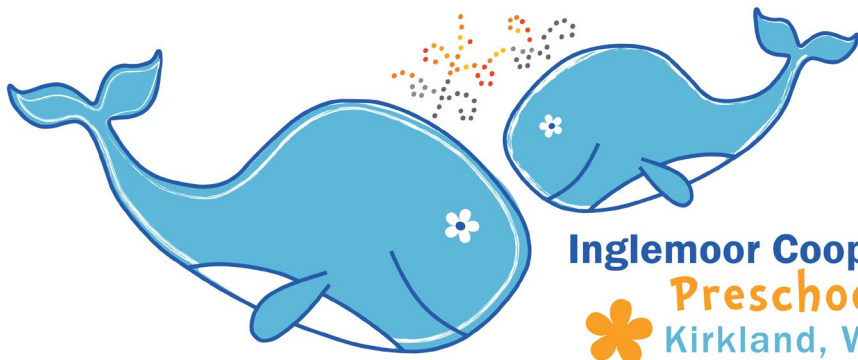

Each class has a closed Facebook group for sharing class information, photos, and setting up playdates privately.

4) Like and follow ICP's public Facebook page.

Make sure you turn notifications on to get reminders and other tidbits about our school.

FROM TEACHER DENISE

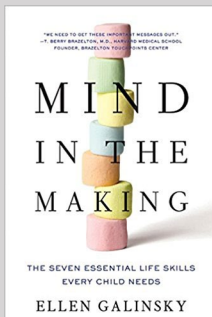

Hello Families!

September has been such a fun month getting to know you. I enjoyed all the facts you shared on your questionnaire. So many interesting people and such amazing kids! We have a fun class and it is going to be such a great year!

October will be exciting. We will go to the pumpkin patch on October 10th. We will have fun exploring and talking about pumpkins. Also, letter sharing will start October 16th, directions to come by email about how we will do this.

Hooray for Fall! Teacher Denise

FROM TEACHER GINA

Dear Parents,

Welcome back to preschool! The first two weeks went very well. Now, we will focus on learning school rules, making new friends, getting to know and feel comfortable with our contact groups and having a good time. My goal for the first few weeks of school is to assist and empower you in your role as assistant teachers in our co-op classroom.

Our theme for October next month will be Fall and Pumpkins. Our color is orange and black and our shape is square. We will have costumes in the dramatic play area. *Please feel free to include our theme shapes and colors into your snacks or small group activity!*

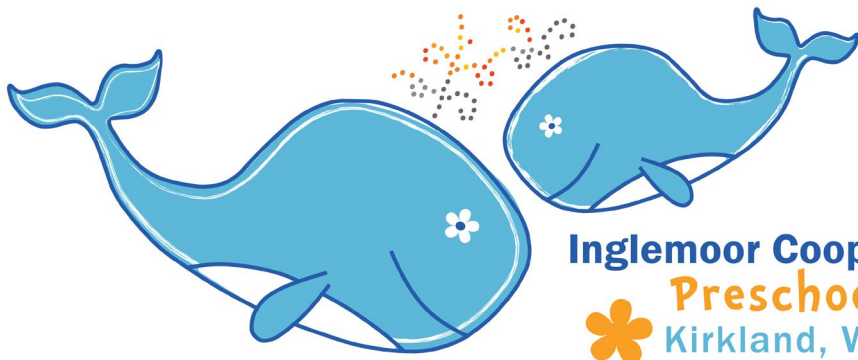

Reminders:

October 9th - Discussion on "The Power of Play"

October 9th - Small group begins in $\frac{3}{4}$

October 30th Discussion begins Chapter 1

FUNDRAISING

Fall Fundraising Highlights

As you know, each family has a fundraising goal of \$150 for one child, or \$200 for two. To help you meet (or hopefully exceed!) this goal, we offer many opportunities to raise money directly toward your personal obligation, as well as opportunities for general school fundraising. Our Fall events are highlighted here!

Dine Out With ICP - General Fundraising

Our first all school dine out event is **Monday Oct. 2nd** at the Lake Forest Park MOD Pizza. Plan a trip after school with your class or bring your whole family in for dinner, because the

fundraiser goes all day!

All you need to do is mention ICP, or show them the flyer on your phone and 20% of your bill goes right back to ICP! Tell all your friends to go and mention ICP as well!

Square1 Art Keepsake - Personal Fundraising

All art for the Art Keepsake event is due by **Sept. 29th**. You should have received the “special” art paper from your class coordinator at our class meetings.

Don't hesitate to reach out to Nikki Noble (price_nikki@hotmail.com) if you have any questions!

Holiday Greens - Personal Fundraising

Our annual poinsettia and wreath fundraiser kicks off **Oct. 2nd**, with all orders due **Monday Oct. 30th**. We have a great new selection of items this year! Start thinking about who might want to place an order with you: friends, family, neighbors or your workplace?

More information on holiday greens will be coming soon!
